City Approves Grant Expenditure

(February 10) On February 9, 2010, the Kerrville City Council approved the expenditure of \$116,473.00 to purchase four (4) replacement vehicles and one (1) new vehicle for the Police Department.

The vehicles will be purchased from the \$237,736.00 Criminal Justice Division; Justice Assistance Grant awarded to the Police Department on December 15, 2009. Chief John Young said these funds will not impact the city general fund budget.

The remaining funds will be used to purchase equipment for both the new and current fleet vehicles to include laptop computers, in-car video systems and automatic electronic defibrillators (A.E.D.'s).

Over the past three years, the Kerrville Police Department has received federal, state and local grants in excess of \$730,000.00 to purchase vehicles and equipment.
